Inspection of office premises and hatchery by the Field officials from the office of the district medical officer, Department of Health, Government of Kerala was carried out on 17-10-2016 at the Vizhinjam Research Centre of CMFRI, Vizhinjam.

Field officials from the Dept of Health inspecting the hatchery

Discussion with the scientists of CMFRI by the Health Officials

The field officials inspected the tanks and containers in the hatchery to find out the possible breeding sites for mosquitoes and also gave necessary instructions for cleaning operations wherever necessary. Following this, cleaning of weeds, undergrowth and bushes were carried out in the office premises and hatchery.
